Is too far
><font>When you dream of<font>
><font>choreographing Patomon?<font>
><font>Or when I dream of talking with Izzy?<font>
><font>Or when I dream of playing Soccer with Matt?<font>

><font>Or when you draw Joe<font>
><font>on the back of my science test?<font>

Maybe going too far
><font>is not a good thing.<font>
><font>Maybe I am having a<font>
><font>Japanese overload.<font>
><font>Very Possible.<font>

Or maybe I'm not obsessive...
><font>Just inspired...<font>
><font>Yes that sounds more acceptable.<font>
><font>Na! No matter what anyone says...<font>
><font>I'm obsessed!<font>

End
file.
